(b) The principal business address of the Reporting Person is c/o Pagaya Technologies Ltd., Azrieli Sarona Bldg, 54th Floor 121 Derech Menachem Begin Tel-Aviv 6701203, Israel.

(c) The securities reported herein are held directly by the Reporting Person and/or the Azure Sea Trust (in trust for Gal Krubiner), a trust formed in South Dakota (the “Trust”). The Reporting Person, the sole beneficiary of the Trust, has sole investment and voting power over such Trust.

(d) During the last five years, the Reporting Person has not been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, the Reporting Person has not been party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding were or are subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

The securities reported herein as beneficially owned by the Reporting Person were acquired pursuant to an Agreement and Plan of Merger, dated effective as of September 15, 2021, as amended from time to time (the “Merger Agreement”), by and among EJV Acquisition Corp. (“EJFA”), the Issuer, and Rigel Merger Sub Inc. (“Merger Sub”), a Cayman Islands exempted company and wholly-owned subsidiary of the Issuer. Pursuant to the Merger Agreement, Merger Sub merged with and into EJFA (the “Merger”), with EJFA surviving the Merger as a wholly-owned subsidiary of the Issuer. The Merger closed on June 22, 2022 (the “Closing Date”). On the Closing Date, immediately following the Merger, EJFA merged (the “Second Merger”) with and into Rigel Merger Sub II, Ltd., a Cayman Islands exempted company and wholly-owned subsidiary of the Issuer (“Merger Sub II”), with Merger Sub II continuing as the surviving company after the Second Merger.

Immediately prior to the effective time (the “Effective Time”) of the Merger, each preferred share, with nominal value New Israeli Shekel 0.01, of the Issuer (each, a “Pagaya Preferred Share”) was converted into ordinary shares, with no par value, of the Issuer (each, a “Pagaya Ordinary Share”) in accordance with the Issuer’s organizational documents (the “Conversion”), (ii) immediately following the Conversion but prior to the Effective Time, the Issuer adopted amended and restated articles of association (the “Pagaya Articles”), (iii) immediately following such adoption but prior to the Effective Time, the Issuer effected a stock split of each Pagaya Ordinary Share and each Pagaya Ordinary Share underlying any outstanding options to acquire Pagaya Ordinary Shares, whether vested or unvested, into such number of Pagaya Ordinary Shares calculated in accordance with the terms of the Merger Agreement such that each Pagaya Ordinary Share had a value of \$10.00 per share after giving effect to such stock split (the “Stock Split”), with the three Founders (as defined below) (including any trusts the beneficiary of which is a Founder of the Issuer and to the extent that a Founder of the Issuer had the right to vote the shares held by such trust) each receiving Issuer Class B ordinary shares, without par value (the “Class B Ordinary Shares”), which carry voting rights in the form of ten (10) votes per share, and the other Issuer shareholders receiving Class A Ordinary Shares, which are economically equivalent to the Class B Ordinary Shares and carry voting rights in the form of one (1) vote per share, in accordance with the Issuer’s organizational documents (the “Reclassification” and, together with the Conversion and the Stock Split, the “Capital Restructuring”). Class B Ordinary Shares are convertible at the holder’s option into Class A Ordinary Shares on a one-for-one basis.

In connection with the closing of the Merger, each share of the Issuer beneficially owned by the Reporting Person was canceled and converted into the right to receive a number of Class B Ordinary Shares at a ratio of approximately 187:1.00.

Pursuant to the terms of the Merger Agreement, including the terms of the Capital Restructuring, the Reporting Person received 28,370,221 Class B Ordinary Shares and the Trust received 32,699,871 Class B Ordinary Shares. Additionally, as of the Closing Date, the Reporting Person held an aggregate of 6,992,166 stock options, 3,496,083 of which had vested and 437,011 which were to vest within 60 days of the Closing Date, received as compensation from the Issuer, which when vested, are exercisable for Class B Ordinary Shares. In connection with the above options, as of the closing of the Merger, certain unvested options held by the Reporting Person vest in equal quarterly installments beginning on August 22, 2022 through May 22, 2024. Since the Closing Date, 437,011 of such options vested on August 22, 2022 and 437,010 vested on November 22, 2022. Further, as of the closing of the Merger, the Reporting Person held 32,961,188 options that were exercisable for restricted Class B Ordinary Shares of the Issuer at an exercise price of \$1.58 per share. These restricted Class B Ordinary Shares will vest upon the Issuer meeting certain market-based vesting conditions based on the total equity value of the Issuer. Once vested, such restricted Class B Ordinary Shares will become unrestricted Class B Ordinary Shares.

Item 4. Purpose of Transaction.

The information set forth in Items 3 and 6 of this Schedule 13D is incorporated by reference in its entirety into this Item 4.

The Reporting Person beneficially owns the securities reported herein for investment purposes. The Reporting Person intends to review on a continuing basis his investment in the Issuer and may from time to time increase or decrease his investment in the Issuer depending upon the price and availability of the Issuer's securities, subsequent developments affecting the Issuer, the Issuer's business and prospects, other investment and business opportunities available to the Reporting Person, general stock market and economic conditions, tax considerations and other factors.

In his capacity as Chief Executive Officer and a director of the Issuer, the Reporting Person intends to continue taking an active role in the Issuer's management. Also, subject to applicable approvals from the compensation committee of the board of directors of the Issuer (the "Board"), the Reporting Person may receive additional securities of the Issuer in connection with his compensation program. In addition, in his capacity as Chief Executive Officer and a director of the Issuer, the Reporting Person intends to be involved in approvals or recommendations with respect to the issuance of additional securities of the Issuer to other employees of the Issuer or its subsidiaries.

Other than as described above, the Reporting Person currently has no plans or proposals that relate to, or may result in, any of the matters listed in subparagraphs (a) through (j) of Item 4 of Schedule 13D. However, as part of his ongoing evaluation of this investment and investment alternatives, the Reporting Person may consider such matters and, subject to applicable law, may formulate a plan or proposal with respect to such matters, and, from time to time, may hold discussions with or make formal proposals to management or the Board, other stockholders of the Issuer or other third parties regarding such matters.

Item 5. Interest in Securities of the Issuer.

(a) and (b) The percentage of beneficial ownership in this Schedule 13D is based on an aggregate of 506,136,743 Class A Ordinary Shares outstanding as of October 18, 2022, as reported in the Issuer's fifth amendment to its Registration Statement on Form F-1 filed on November 17, 2022 with the Securities and Exchange Commission, and any Class A Ordinary Shares issuable upon the conversion of any Class B Ordinary Shares and/or options beneficially owned by the Reporting Person.

As of the date hereof, the aggregate number and percentage of the Class A Ordinary Shares beneficially owned by the Reporting Person and, for the Reporting Person, the number of shares as to which there is sole power to vote or to direct the vote, shared power to vote or to direct the vote, sole power to dispose or to direct the disposition, or shared power to dispose or to direct the disposition are set forth on rows 7 through 11 and row 13 of the cover pages of this Schedule 13D and are incorporated herein by reference.

Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission that the Reporting Person is the beneficial owner of the Ordinary Shares referred to herein for purposes of Section 13(d) of the Securities Exchange Act of 1934, as amended, or for any other purpose.

(c) Except as described in this Schedule 13D, the Reporting Person has not effected any transactions in Class A Ordinary Shares during the past 60 days or during the 60 days prior to June 23, 2022.

(d) To the best knowledge of the Reporting Person, no one other than the Reporting Person, or the partners, members, affiliates, trustees, shareholders or beneficiaries of the Reporting Person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Ordinary Shares reported herein.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information provided or incorporated by reference in Items 3, 4 and 5 is hereby incorporated by reference herein.

Registration Rights Agreement

On June 22, 2022, Registrant, Wilson Boulevard LLC (the “Sponsor”), and certain of the Issuer’s shareholders as of immediately prior to the Merger entered into the Registration Rights Agreement (the “RRA”), pursuant to which the Issuer agreed to file a registration statement, by no later than 30 days following June 22, 2022, to register the resale of the Registrable Securities (as defined in the RRA). The RRA also provides the Issuer shareholder parties thereto with a demand right for the Issuer to conduct an underwritten offering of the Registrable Securities, provided that the total offering price of all securities proposed to be sold in such offering exceeds \$75 million in the aggregate and subject to certain limitations. The RRA further provides customary registration rights to the Issuer shareholder parties thereto (including demand rights and piggy-back rights, subject to cooperation and cut-back provisions) with respect to the Class A Ordinary Shares and any Class A Ordinary Shares issuable upon the exercise of warrants and any other equity security of the Issuer issued or issuable with respect to any such Class A Ordinary Shares. The RRA will terminate on the earliest of (a) the tenth anniversary of the date of the RRA, (b) any acquisition of the Issuer after the Merger, as a result of which the Registrable Securities are converted into the right to receive consideration consisting solely of cash or other property other than securities listed on a national securities exchange registered under Section 6 of the Exchange Act or (c) with respect to any Issuer shareholder party to the RRA, on the date that such Issuer shareholder no longer holds any Registrable Securities.

Lockup Arrangements

On June 22, 2022, the Issuer adopted the Pagaya Articles. The Pagaya Articles contain certain lock-up arrangements. Pursuant to such lock-up arrangements, the Issuer’s equity holders prior to the Merger, including the Reporting Person, the Trust, the Sponsor, certain directors and advisors of EJFA and their permitted transferees may not directly or indirectly transfer certain of their Ordinary Shares (the “Lock-Up Shares”) during their applicable lock-up period, subject to certain exceptions, terms and conditions as set forth in the Pagaya Articles.

Following June 22, 2022, the Lock-Up Shares held by the Reporting Person and his permitted transferees may not be transferred (except to a permitted transferee and subject to certain exceptions) until (a) with respect to 50% of the Ordinary Shares held by the Reporting Person (or his permitted transferee) on the Closing Date, on the earlier of (1) the date that is six months following the Closing Date and (2) the date on which the VWAP equals or exceeds \$12.50 for any 20 trading days within any 30 consecutive trading day period commencing on the Closing Date, and (b) with respect to the remaining 50% of the Ordinary Shares held by the Reporting Person (or his permitted transferee) on the Closing Date, on the earlier of (1) the date that is 12 months following the Closing Date and (2) the date on which the VWAP equals or exceeds \$12.50 for any 20 trading days within any 30 consecutive trading day period commencing on the Closing Date, except the lock-up restrictions will not be lifted pursuant to (a)(2) above prior to the date that is 90 days following the Closing Date and will not be lifted pursuant to (b)(2) above prior to the date that is 180 days following the Closing Date. Notwithstanding the foregoing, the pledge of Lock-Up Shares by a holder of such Lock-Up Shares that creates a mere security interest in such Lock-Up Shares pursuant to a bona fide loan or indebtedness transaction for so long as such holder continues to exercise the power (whether exclusive or shared) to vote or direct the voting of such Lock-Up Shares by proxy, voting agreement or otherwise, over such pledged Lock-Up Shares does not constitute a transfer within the meaning of the Pagaya Articles.

Pagaya Articles

Class B Ordinary Shares are convertible at the holder's option into Class A Ordinary Shares on a one-for-one basis. In addition, each Class B Ordinary Share will automatically be converted into a Class A Ordinary Share upon the earlier to occur of (1) such time as the Reporting Person, Yahav Yulzari and Avital Pardo (each a "Founder" and, collectively, the "Founders") and the Permitted Class B Owners (as defined in the Pagaya Articles) first collectively hold less than 10% of the total issued and outstanding ordinary share capital of the Issuer, and (2) the fifteenth (15th) anniversary of the Closing Date.

Moreover, the Class B Ordinary Shares will automatically be converted into Class A Ordinary Shares upon the earliest to occur of:

1. (1)(a) such Founder's employment or engagement as an officer of the Issuer being terminated not for Cause (as defined in the Pagaya Articles), (b) such Founder's resigning as an officer of the Issuer, (c) death or Permanent Disability (as defined in the Pagaya Articles) of such Founder; provided, however, that if such Founder or such Permitted Class B Owner validly provides for the transfer of some or all of his, her or its Class B Ordinary Shares to one or more of the other Founders or Permitted Class B Owners affiliated with one or more of the other Founders in the event of death or Permanent Disability, then such Class B Ordinary Shares that are transferred to another Founder or Permitted Class B Owner affiliated with one or more of the other Founders shall remain Class B Ordinary Shares and shall not convert into an equal number of Class A Ordinary Shares or (d) the appointment of a receiver, trustee or similar official in bankruptcy or similar proceeding with respect to a Founder or his Class B Ordinary Shares; and (2) such Founder no longer serving as a member of the Board;
2. 90 days following the date on which such Founder first receives notice that his employment as an officer of the Issuer is terminated for Cause (as defined in the Pagaya Articles), subject to extensions or cancellation under specified circumstances; or
3. a transfer of such Class B Ordinary Shares to any person or entity other than a Permitted Class B Owner.

Irrevocable Proxy

The Trust has granted the Reporting Person an Irrevocable Proxy and Power of Attorney, dated as of June 16, 2022 (the "Irrevocable Proxy"), providing the Reporting Person with sole voting power over the Ordinary Shares held by the Trust.

10b5-1 Plan

On August 31, 2022, the Reporting Person entered into a 10b5-1 sales plan (the "10b5-1 Plan") pursuant to which it may sell up to 6,000,000 shares of the Reporting Person's Class A Ordinary Shares (representing 4.6% of the Class A Ordinary Shares beneficially owned by the Reporting Person), subject to certain volume and pricing limits. The amount and timing of any sales, if any, may vary and will be determined based on market conditions, share price and other factors. The program will not require the Reporting Person to sell any specific number of Ordinary Shares or at all, and may be terminated at any time with two days' written notice.

The foregoing descriptions of the RRA, Pagaya Articles, Irrevocable Proxy and 10b5-1 Plan contained in this Item 6 are not intended to be complete and are qualified in their entirety by reference to such agreements, which are filed as exhibits hereto and incorporated by reference herein.

Item 7. Material to be filed as Exhibits.

I also acknowledge responsibility for notifying MSSB in the event of an expiration or forfeiture of the Options under the Issuer’s stock option plan (upon any termination of service with the Issuer or otherwise) that will prevent the occurrence of one or more transactions listed below. If I authorize the exercise of more than one vested Option grant at the same limit price, the Options will be exercised in the order listed below. I further acknowledge that in the event Options cannot be exercised and the corresponding Shares cannot be sold for any reason, including the occurrence of a suspension pursuant to this Plan, the term of this Plan will not be affected thereby and will end on the originally scheduled Plan End Date. I represent that the information below is accurate.

PART III
Sales Plan Disclosures and Representations

Instructions: The Seller must review and understand these disclosures and representations. The Seller is required to sign the last page of this Part III.

A. General Representations.

I understand that this Plan is intended to conform with certain provisions of Rule 10b5-1 of the Securities Exchange Act of 1934, as amended (“**Rule 10b5-1**”). In summary, under Rule 10b5-1, a person executing pre-planned transactions pursuant to a Rule 10b5-1 plan established in good faith at a time when that person was unaware of material nonpublic information has an affirmative defense against allegations of insider trading.

1. I hereby represent to MSSB that, as of the date of my signature below:
 - a. I am not in possession, and am not aware, of any material nonpublic information about the securities which are the subject of this Plan or the Issuer;
 - b. I am entering into this Plan in good faith and not as part of a plan or scheme to evade any law, including, without limitation, the federal securities laws or any law governing insider trading;
 - c. I understand that the protections of Rule 10b5-1 may not apply if I alter this Plan or deviate from the instructions in any way, other than in accordance with the modification provisions of this Plan and applicable law;
 - d. I own the securities which are the subject of this Plan free and clear and I acknowledge and confirm that:
 - (i) neither I, nor the Shares are subject to any pledges, liens, security interests or other impediments to transfer (except for those which I have entered into with MSSB, limitations imposed by Rule 144 under the Securities Act of 1933, as amended (“**Rule 144**”), if applicable, or a lock-up agreement or other restriction that expires prior to the first date that sales may be made under this Plan) nor is there any contractual restriction or litigation, arbitration or other proceeding pending, or to my knowledge threatened, that would prevent or interfere with the exercise of Options to purchase shares of the Issuer or sale of Shares under this Plan;
 - (ii) the execution and delivery of this Plan by me and the transactions contemplated by this Plan will not contravene applicable law or any agreement or other instrument binding on me or any of my affiliates or any judgment, order or decree of any governmental body, agency or court having jurisdiction over me or my affiliates; and
 - (iii) the Shares under this Plan do not require any re-offer / resale prospectus (e.g. S-1, S-3 or re-offer S-8) in order to be sold in the Sales Periods as defined in Trade Schedule A or B, as applicable.
 - e. While this Plan is in effect, I will not enter into any corresponding or hedging transaction or position with respect to the securities which are the subject of this Plan (including, without limitation, with respect to any securities convertible or exchangeable into common stock of the Issuer) and, unless this Plan is modified or terminated in accordance with the terms hereof, I agree not to alter or deviate from the terms of this Plan;
 - f. I agree not to, directly or indirectly, communicate any information relating to the Shares or the Issuer to any employee of MSSB or its affiliates who is involved, directly or indirectly, in executing this Plan at any time while this Plan is in effect or attempt to exercise any influence over how, when or whether to effect any sales of Shares pursuant to this Plan;
 - g. I understand that it is my responsibility to comply with all applicable laws (including, without limitation, Rule 144, Section 16 of the Exchange Act and the rules and regulations promulgated thereunder, if applicable) and the policies of the Issuer with respect to the transactions contemplated by this Plan, and I agree to comply with all such laws and policies. I represent that this Plan conforms with the trading policies of the Issuer;

- h. I understand that the laws governing insider trading are fact-specific and that MSSB does not and cannot guarantee that any transaction that is executed pursuant to this Plan will be deemed covered by the protections of Rule 10b5-1.
- i. I acknowledge and confirm that I have provided MSSB with an Issuer Representation letter signed by an authorized representative of the Issuer substantially in the form of Part IV - Exhibit A to this Plan;
- j. I agree to notify MSSB in writing to the individuals set forth in Part I – Account and Plan Information if I become aware of:
 - (i) any restriction that would prohibit any sale pursuant to this Plan (other than any such restriction relating to my possession or alleged possession of material nonpublic information about the Issuer or its securities). Such notice will indicate the anticipated duration of the restriction, but will not include any other information about the nature of the restriction or its applicability to me and will not in any way communicate any material nonpublic information about the Issuer or its securities to MSSB;
 - (ii) any change in the Issuer’s insider trading policies, or a change in my status under such policies, affecting the implementation of this Plan;
 - (iii) any change in the Issuer’s policies regarding the timing or method of exercising Options covered by this Plan that would affect the implementation of this Plan ;
 - (iv) any change that would cause the sales hereunder not to meet all applicable requirements of Rule 144, if applicable; and
 - (v) any stock split, stock dividend or other like distributions affecting the Shares (“**Recapitalization**”).

I understand that MSSB will not be responsible for any incorrect order entered due to any of the above events if MSSB has not been notified by me at least one business day prior to such event.

- i. I agree to notify MSSB in writing to the individuals set forth in Part I – Account and Plan Information before I:
 - (i) enter into a binding contract with respect to the purchase or sale of any securities of the Issuer with another broker, dealer or financial institution (each, a “**Financial Institution**”);
 - (ii) instruct another Financial Institution to purchase or sell any securities of the Issuer; or
 - (iii) adopt a plan for trading with respect to any securities of the Issuer other than this Plan.
- j. I acknowledge that MSSB is not acting as my fiduciary but is acting in a brokerage capacity in connection with the adoption and implementation of this Plan;
- k. If I am a director or executive officer of the Issuer, then I am not subject to any current pension fund blackout period applicable to the Issuer, and I have not received written notice of the imposition of, nor am I aware of, the actual or approximate beginning or ending dates of any such blackout period and I further acknowledge and agree that I may not modify or otherwise alter this Plan in such circumstances;
- l. I represent that I am not entering into this Plan on behalf of, or with the assets of, an individual retirement account or individual retirement annuity, or any employee retirement or employee benefit plan (such as, for example, a Keogh or “HR-10” plan). [Explanatory Note: A plan involving the sale of stock acquired through the exercise of employee stock options would not be “on behalf of, or with the assets of” any of the types of plans referred to in this paragraph.]
- m. I represent that my account is not an “employee benefit plan” within the meaning of Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended, or a “plan” as defined under Section 4975(e) of the Internal Revenue Code of 1986, as amended, or an entity whose underlying assets include the assets of any such plan by reason of such a plan's investment in such entity.

2. MSSB hereby represents, warrants and covenants to Seller and to the Issuer as of the date of its signature below that no person who exercises influence on MSSB's behalf over whether, when or how sales of Shares are made will do so while in possession of material non-public information related to the Shares or the Issuer.

B. Section 16 Representations (for Section 16 insiders only).

1. I authorize the Issuer and MSSB to implement procedures for reporting to the Issuer all transactions under this Plan in the account referenced in Part I – Account and Plan Information. Upon execution of any transaction under this Plan and in no event later than the business day immediately following the trade date, I authorize MSSB to provide the terms of the transaction to the Issuer's representative set forth in Part I – Account and Plan Information of this Plan and any other persons designated by the Issuer. For the avoidance of doubt, the Issuer's representative has sole discretion to provide the list of designated persons to MSSB on behalf of the Issuer. I understand that MSSB shall not be responsible for any rejected or undeliverable emails sent to the electronic address(es) designed by the Issuer.
2. I understand that federal securities laws may require me to disgorge all profits earned in connection with any purchase and sale of securities that occurs within six months of each other if I own 10% or more of any class of the Issuer's equity securities, or if I am an officer or director of the Issuer (i.e., "**short-swing profits**"). I further understand that it is my own responsibility to ensure compliance with such short-swing profit rules, and I will seek my own counsel with respect to ensuring compliance with such rules.
3. I understand that although the Company is a Foreign Private Issuer, and therefore certain U.S. securities law do not apply to the Company, there are still some securities laws and rules that require certain persons to timely file reports with the Securities and Exchange Commission (the "**SEC**") as to the shareholder's purchases and sales of the Issuer's securities (including, without limitation, Section 13 and Section 16 of the Exchange Act). I understand that it is my responsibility to ensure compliance with such rules in a timely manner to the extent applicable, and I will seek my own counsel with respect to whether and when such reports might need to be filed. MSSB will not be required to: (i) make any of these filings on my behalf, (ii) review any Exchange Act filing made by me, or (iii) determine whether any Exchange Act filing by me has been made on a timely basis. MSSB will not be liable to me for any misstatement, omission or defect in any of these filings.

C. Sales of Restricted Stock or Control Stock Pursuant to SEC Rule 144 (for Rule 144 sales only).

1. I understand that this Plan is applicable only as to securities that are freely tradable and that will not be subject to any restrictions against sale at the time of sale of such securities under this Plan. If I am considered an "affiliate" within the meaning of Rule 144, then I understand that the provisions of that rule may limit the number of Shares I can sell at any given time. In the event there is a conflict between the quantity of securities that I have directed to be sold and any lesser amount of Shares that are permitted to be sold pursuant to Rule 144 or other securities laws or rules, I hereby direct that the maximum limits established by such other laws or rules shall govern. In no event will MSSB effect any sale if such sale would exceed the then-applicable limitation under Rule 144 assuming MSSB's sales under this Plan are the only sales subject to that limitation, or if any such sale would otherwise not comply with Rule 144.
2. I agree not to take, nor to cause any person or entity with which I would be required to aggregate sales of stock pursuant to Rule 144 to take, any action that would cause the sales under this Plan not to meet all applicable requirements of Rule 144, including volume limitations.
3. I agree to timely provide completed and signed Rule 144 paperwork to MSSB (including, without limitation, a Seller Representation letter dated as of the date of this Plan substantially in the form of Part IV - Exhibit B to this Plan prior to the Adoption Date). I acknowledge that MSSB requires this paperwork to facilitate Rule 144 trades for my account. Consistent with Rule 144 filing requirements, MSSB hereby agrees to submit my completed Form 144 – Notice of Proposed Sale of Securities to the SEC. In order for MSSB to complete this paperwork, I authorize MSSB to maintain my pre-signed Forms 144 in safekeeping and to complete these forms as necessary before submitting them to the SEC.

D. Implementation, Modification, Suspension and Termination.

1. Implementation of Plan.

- a. I agree that (i) MSSB may route any trades under this Plan to its affiliates and their respective routing counterparties for execution (collectively, the “**Execution Venues**”), (ii) such Execution Venues are required to have risk management controls in place that are reasonably designed to manage the financial, regulatory and other risks of accessing the market, and (iii) MSSB and the other Execution Venues, in executing such orders, may treat such orders as “not held” and thus exercise both time and price discretion in their execution. I authorize the Execution Venues to treat such orders as “not held” and exercise time and price discretion with respect to such orders. In executing an order as not held, MSSB will consider several factors, including price, the available liquidity pool, execution speed, transaction costs, service and opportunities for price improvement in determining where, when and how to route orders for execution. However, sales of Shares under this Plan will not be made at a price less than the Limit Price, if applicable.
- b. MSSB may sell the Shares subject to this Plan on any national securities exchange, in the over-the-counter market, on an automated trading system or otherwise. I agree that if MSSB or its affiliates is a market maker or dealer in such Shares at the time that any sale is to be made under this Plan, MSSB or its affiliates may, at its sole discretion, purchase such Shares in its capacity as market maker or dealer.
- c. Prior to the Selling Start Date, I agree to deliver Shares subject to this Plan into an account at MSSB in my name and for my benefit, to the extent I currently own such Shares and such Shares are free of any restrictive legend. I understand that this Plan shall not be effective until I establish a valid account at MSSB to hold the Shares.

2. Modification of Plan.

a. I may not modify this Plan unless:

- (i) such modification is accepted in writing by MSSB;
 - (ii) I provide MSSB with:
 - (a) an Issuer Representation Letter substantially in the form of Part IV - Exhibit A to this Plan;
 - (b) If I am a Rule 144 affiliate, representations substantially to the effect of those contained in Part IV - Exhibit B of this Plan;
 - (c) a modification letter and new trade schedule(s) in which I represent that, among other things, on the date of such modification that I am not aware of any material, non-public information regarding the Issuer or any of its securities, that the modification is being made in good faith and not as part of a scheme to evade any law, including, without limitation, the federal securities laws or any law governing insider trading, and that my representations and warranties contained in this Plan are true at and as of the date of such letter as if made at and as of such date; and
 - (iii) such modification occurs only outside of any “blackout periods” set forth in the Issuer’s insider trading policy and procedures.
- b. I further understand that the Issuer requires a 21 day period from the adoption of such modification to the date when trading may begin under such modification. During such period, no Plan sales may occur. The Issuer may impose additional requirements as a condition of allowing me to modify this Plan, including, but not limited to, an additional period of time which must elapse before trading may begin following such modification. I agree to comply with any such additional requirements imposed by Issuer and to advise MSSB of such requirements. I further agree that any such modification of this Plan shall be undertaken at my own risk without liability or consequence to MSSB.

3. Suspension of Plan.

- a. I understand that trading under this Plan may be suspended if MSSB has received written notice from the Issuer or from me of a legal, regulatory or contractual restriction applicable to the Issuer or to me. Upon receipt of such written notice, I expressly authorize MSSB to suspend trading as soon as practicable and trading shall not resume until MSSB has received written notice of the resolution of the underlying restriction. If the events giving rise to a suspension of trading cannot be resolved (as determined by MSSB in its sole discretion), I understand and acknowledge that MSSB reserves the right, in its sole discretion, to terminate this Plan in accordance with the provisions contained herein. In the event of a suspension, MSSB will resume effecting trades in accordance with this Plan as soon as MSSB determines that it is reasonably practical to do so.

- b. Upon the resumption of trading following a suspension, any trades having a Sales Period End Date scheduled to have occurred during such suspension period shall be deemed to have expired as of that scheduled Sales Period End Date as defined in Trade Schedule A or B, as applicable. Any trades having a Sales Period Start Date scheduled to have occurred during the period of suspension shall be placed as soon as practicable for the balance of time remaining until the Sales Period End Date applicable to such trade. All other trades shall be placed as originally indicated in this Plan.

4. Termination of Plan.

- a. I understand that this Plan will terminate at market close on the Plan End Date or, if earlier, upon the completed sale of the maximum Shares subject to this Plan. In addition, this Plan shall terminate, regardless of whether the maximum Shares have been sold, upon any of the following events:
- (i) MSSB receives written notice of my death;
 - (ii) MSSB receives written notice of the commencement or impending commencement of any proceedings in respect of or triggered by my bankruptcy or insolvency;
 - (iii) MSSB receives written notice of a valid instruction to transfer all or substantially all of the assets within my securities account at MSSB to another broker-dealer;
 - (iv) MSSB receives two days' written notice from me terminating this Plan (which may be given for any reason); and, if required by the Issuer's trading policy, such termination is approved by the Issuer; the Seller understands that obtaining such approval is the Seller's sole responsibility;
 - (v) I receive written notice from MSSB terminating this Plan (which may be given for any reason);
 - (vi) I fail to comply in any material respect with any applicable law and/or any obligation under this Plan; and
 - (vii) upon my or the Issuer's demonstrating to MSSB that any of the following events have occurred:
 - (a) a public announcement has been made of a tender offer involving the Issuer's securities;
 - (b) a definitive agreement has been announced relating to a merger, reorganization, consolidation or similar transaction in which the securities covered by this Plan would be subject to a lock-up provision;
 - (c) a sale has been made of all or substantially all of the assets of the Issuer on a consolidated basis to an unrelated person or entity, or if a transaction affecting the Issuer occurs in which the owners of the Issuer's outstanding voting power prior to the transaction do not own at least a majority of the outstanding voting power of the successor entity immediately upon completion of the transaction;
 - (d) a dissolution or liquidation of the Issuer takes place or there is a commencement or impending commencement of any proceedings in respect of or triggered by the Issuer's bankruptcy or insolvency; or
 - (e) that this Plan or its attendant transactions may violate existing, new or revised federal or state laws or regulations, or may cause a breach of a contract or agreement to which the Issuer is a party or by which the Issuer is bound.
- b. In no event shall MSSB be deemed to have breached or failed to comply with this Plan if MSSB does not receive written notice of the above events prior to the placement of a scheduled order under this Plan. I understand that it may take two business days for any termination to take effect upon MSSB receiving written notice,

E. Indemnification; Limitation of Liability.

I understand that the purpose of this Plan is to provide me with an affirmative defense against allegations of insider trading and that MSSB can make no representation or guarantee that any transaction entered according to this Plan will not subsequently be found to violate federal or state laws or rules against trading by insiders or trading on the basis of material nonpublic information or other laws or rules governing securities transactions. Therefore, in consideration of MSSB's acceptance of these instructions, I hereby agree to indemnify and hold harmless MSSB and its affiliates and their respective directors, officers, employees and agents (including, without limitation, Morgan Stanley & Co. LLC) from any claim, loss, damage, liability or expense (including, without limitation, any legal fees and expenses reasonably incurred) arising out of or attributable to this Plan (including, without limitation, any representations or warranties I have given or will give under or in connection with this Plan) or any transaction or transactions executed pursuant to this Plan or from any deviation I might make from this Plan, except to the extent such claim, loss, damage, liability or expense is determined in a non-appealable order of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of MSSB. This indemnification will survive termination of this Plan.

Notwithstanding any other provision hereof, MSSB shall not be liable to me for (i) any special, indirect, punitive, exemplary or consequential damages, or incidental losses or damages of any kind, even if advised of the possibility of such losses or damages or if such losses or damages could have been reasonably foreseen, or (ii) any failure to perform or to cease performance or any delay in performance that results from a cause or circumstance that is beyond MSSB's reasonable control, including but not limited to, failure of electronic or mechanical equipment, strikes, failure of common carrier or utility systems, outbreak or escalation of hostilities or other crisis or calamity, severe weather, market disruptions, material disruptions in securities settlement, payment or clearance services or other causes commonly known as "acts of God".

F. Notice.

All notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by electronic mail and made to the applicable persons indicated in Part I—Account and Plan Information. The parties acknowledge and agree that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution.

G. Miscellaneous.

1. Additional Documents. I agree to complete, execute and deliver to MSSB any additional forms or other paperwork pursuant to this Plan at such times and in such form as MSSB may reasonably request.
2. My Obligation to Consult Legal Advisors. I understand that MSSB has advised that I should not enter into, modify, suspend or terminate this Plan except upon consultation with my own legal advisors.
3. Inconsistent Provisions. If any provision of this Plan is or becomes inconsistent with any applicable present or future law, rule or regulation, that provision will be deemed rescinded to the extent required in order to comply with the relevant law, rule or regulation. All other provisions of this Plan will continue and remain in full force and effect.
4. Market Disruptions and Other Unusual Situations. I understand that MSSB may not be able to effectuate a sale due to a market disruption or a legal, regulatory or contractual restriction to which it, its affiliates, me or my affiliates may be subject (as determined by MSSB in its sole discretion). If any transaction cannot be executed due to a market disruption, a legal, regulatory, or contractual restriction applicable to MSSB, or any other event, MSSB agrees to effectuate such sale as promptly as practical after the cessation or termination of such market disruption, applicable restriction or other event; provided that such date does not exceed the Sales Period End Date for that order or the Plan End Date, or falls within a No Sales Period as defined in Trade Schedule A and/or B of this Plan.
5. Non-Market Days and Trading Restrictions. If I have given instructions that require an order to be entered on a particular date, and the date that I have selected for a transaction falls on a day when the applicable primary market for the security is closed, then I direct that the transaction occur on the next regular business day on which such market is open following the original date indicated; provided that such date does not exceed the Sales Period End Date for that order or the Plan End Date or falls within a No Sales Period as defined in Trade Schedule A and/or B of this Plan.
6. State Insider Trading Laws. I understand that some states may have their own laws that relate to insider trading. I understand that MSSB makes no representation to me with respect to whether this Plan conforms to the laws of any particular state, and has advised that I should seek the advice of my own counsel with respect to matters of state law.
7. Prices. All references in this Plan to per share prices will be before deducting any commission equivalent, mark-up or differential and other expenses of sale.

8. Other Shares. I may instruct MSSB to sell securities of the Issuer other than pursuant to this Plan. The parties hereto agree that any such sale transaction will not be deemed to modify this Plan unless in connection with such transaction this Plan is modified pursuant to the process set forth in subsection D.2 above.
9. Adjustments to Share and Dollar Amounts. The exercise and sale prices, and number of Options to be exercised and Shares to be sold, will be adjusted following such time as I or the Issuer notifies MSSB promptly of a Recapitalization, which shall be made by providing a new schedule reflecting the adjustment in Shares and prices after the Recapitalization. **I understand that MSSB will not be responsible for any incorrect order entered due to a Recapitalization if MSSB has not been notified at least one business day prior to such Recapitalization.**
10. Effect of Instructions on Other Agreements with MSSB. Subject to “Entire Agreement; Subsequent Plans” subsection below, nothing in this Plan changes any other terms or agreements that are already applicable to my account or accounts, or that otherwise exist between MSSB and me.
11. Entire Agreement; Subsequent Plans. This Plan constitutes the entire agreement between the parties with respect to this Plan and supersedes any prior agreements or understandings with respect to this Plan. I understand that if I enter into a subsequent 10b5-1 trading plan, that plan will not amend, suspend or terminate this Plan unless explicitly agreed to by MSSB in writing.
12. Assignment. My rights and obligations under this Plan may not be assigned or delegated without the written permission of MSSB. MSSB may assign or delegate any or all of its rights or obligations under this Plan to a company affiliated with, or a successor to, MSSB or to any assignee to which MSSB determines to assign all or part of its business relating to sales plans of this kind. Any such assignment will not affect the status, or be deemed to be an amendment, of this Plan, the purpose of which is to provide me with an affirmative defense against charges of insider trading.
13. Choice of Law Regarding Interpretation of Instructions. This Plan shall be construed in accordance with the internal laws of the State of New York.
14. Enforceability in the Event of Bankruptcy. The parties acknowledge and agree that this Plan is a “securities contract” as defined in Section 741(7) of Title 11 of the United States Code (“Bankruptcy Code”) and shall be entitled to all of the protections afforded to such contracts under the Bankruptcy Code.

Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by applying your electronic signature below.

Getting paper copies

At any time, you may request a paper copy of any document or disclosure provided or made available electronically to you through eSign. Depending on the method of delivery, you may be able to download and print documents sent to you for electronic signature during and immediately after your signing session. You may request delivery of such paper copies by contacting your MSSB Financial Advisor or Private Wealth Advisor. There is currently no fee for receiving paper copies of documents you receive via eSign. We reserve the right to change this policy in the future with prior notice to you.

Withdrawing your consent

Receiving and signing documents and disclosures is an optional process that requires your consent for each package sent to you. If you would prefer to receive and sign documents and disclosures via paper or in a non-electronic form, you may:

- i. Decline to sign the documents in the signing session, and
- ii. Contact your Financial Advisor or Private Wealth Advisor and request an alternative means by which to receive the documents and disclosures.

Consequences of non-consent

If you elect to receive and sign documents and disclosures in paper format, it may slow the speed at which we can complete certain steps in transactions with you and delivering services to you because the required documents and disclosures will need to be sent to you in paper format, and then we must wait until we receive back from you any signed documentation.

To advise MSSB of your new contact information

Please inform your MSSB Financial Advisor or Private Wealth Advisor of any changes to your contact information (email address or mobile phone number).
