PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The Company hereby incorporates by reference in this Registration Statement the following:

- the prospectus dated May 26, 2022 (the “Prospectus”), filed by the Company pursuant to Rule 424(b) under the Securities Act relating to the registration statement on Form F-4 filed on April 7, 2022 (File No. 333-264168) (as amended, the “Form F-4 Registration Statement”); and

Any statement contained herein or in a document, all or a portion of which is incorporated or deemed to be incorporated by reference herein, shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Under the Israeli Companies Law, 5759-1999, a company may not exculpate directors or certain senior officers (collectively, “Office Holders”) from liability for a breach of a duty of loyalty. An Israeli company may exculpate Office Holders in advance from liability to the company, in whole or in part, for damages caused to the company as a result of a breach of duty of care but only if a provision authorizing such exculpation is included in its articles of association. The Company’s Amended and Restated Articles of Association include such a provision. The company may not exculpate Office Holders in advance from liability arising out of a prohibited dividend or distribution to shareholders.

Under the Israeli Companies Law, the Israeli Securities Law and the Israeli Economic Competition Law, 5748-1988, a company may indemnify Office Holders in respect of the following liabilities, payments and expenses incurred for acts performed by them as Office Holders, either in advance of an event or following an event, provided its articles of association include a provision authorizing such indemnification:

- monetary liability incurred by or imposed on the Office Holder in favor of another person pursuant to a court judgment, including pursuant to a settlement confirmed as judgment or arbitrator's decision approved by a competent court. However, if an undertaking to indemnify an Office Holder with respect to such liability is provided in advance, then such an undertaking must be limited to events which, in the opinion of the board of directors, can be foreseen based on the company's activities when the undertaking to indemnify is given, and to an amount or according to criteria determined by the board of directors as reasonable under the circumstances, and such undertaking shall detail the abovementioned foreseen events and amount or criteria;
- reasonable litigation expenses, including reasonable attorneys' fees, which were incurred by the Office Holder as a result of an investigation or proceeding filed against the Office Holder by an authority authorized to conduct such investigation or proceeding, provided that such investigation or proceeding was either (i) concluded without the filing of an indictment against such Office Holder and without the imposition on the Office Holder of any monetary obligation in lieu of a criminal proceeding; (ii) concluded without the filing of an indictment against the Office Holder but with the imposition of a monetary obligation on the Office Holder in lieu of criminal proceedings for an offense that does not require proof of criminal intent; or (iii) in connection with a monetary sanction;
- a monetary liability imposed on the Office Holder in an Administrative Proceeding (as defined below) pursuant to Section 52(54)(a)(1)(a) of the Israeli Securities Law, in favor of all the parties injured by the Office Holder's breach;
- reasonable litigation expenses, including reasonable attorneys' fees, expended by the Office Holder with respect to an Administrative Proceeding under the Israeli Securities Law;
- reasonable litigation expenses, including reasonable attorneys' fees, incurred by the Office Holder or which were imposed on the Office Holder by a court (i) in a proceeding instituted against the Office Holder by the company, on its behalf, or by a third-party, (ii) in connection with criminal indictment of which the Office Holder was acquitted, or (iii) in connection with a criminal indictment which the Office Holder was convicted of an offense that does not require proof of criminal intent;
- financial liability imposed on the Office Holder in an Administrative Proceeding, on behalf of all the parties injured by the Office Holder's breach;
- reasonable litigation expenses, including reasonable attorneys' fees, incurred by an Office Holder in connection with a proceeding under the Law for Increased Enforcement of Labor Laws, 5772-2011 and the regulations promulgated thereunder, or the Law for Encouragement of Research, Development and Technological Innovation in the Industry, 5744-1984 and all the regulations promulgated under it;
- reasonable litigation expenses, including reasonable attorneys' fees, incurred by an Office Holder in connection with a proceeding conducted with respect to the Office Holder under the Economic Competition Law; and
- any other obligation or expense in respect of which it is permitted or will be permitted under applicable law to indemnify an Office Holder, including, without limitation, matters referenced in Section 56H(b)(1) of the Israeli Securities Law.

An "Administrative Proceeding" is defined as a proceeding pursuant to chapters H3 (Monetary Sanction by the Israel Securities Authority), H4 (Administrative Enforcement Proceedings of the Administrative Enforcement Committee) or I1 (Arrangement to Conditionally Prevent Proceedings or Suspend Proceedings) of the Israeli Securities Law.

Under the Israeli Companies Law, the Israeli Securities Law and the Economic Competition Law, a company may insure an Office Holder against the following liabilities incurred for acts performed by him or her as an Office Holder if and to the extent provided in the company's articles of association:

- a breach of the duty of loyalty to the company, provided that the Office Holder acted in good faith and had a reasonable basis to believe that the act would not harm the company;
- a breach of duty of care to the company or to a third-party;
- a monetary liability imposed on the Office Holder in favor of a third-party;
- a monetary liability imposed on the Office Holder in favor of an injured party in certain Administrative Proceedings under the Israeli Securities Law, including reasonable attorneys' fees and other litigation expenses;
- expenses incurred by the Office Holder in connection with an Administrative Proceeding, including reasonable attorneys' fees and other litigation expenses; and
- expenses incurred by the Office Holder in proceedings under or in connection with the Economic Competition Law, including reasonable attorneys' fees and other litigation expenses.

Under the Israeli Companies Law, a company may not indemnify, exculpate or insure an Office Holder against any of the following:

- a breach of the duty of loyalty, except for indemnification and insurance for a breach of the duty of loyalty to the company to the extent that the Office Holder acted in good faith and had a reasonable basis to believe that the act would not prejudice the company;
- a breach of duty of care committed intentionally or recklessly, excluding a breach arising out of the negligent conduct of the Office Holder;
- an act or omission committed with intent to derive illegal personal benefit; or
- a fine or forfeit levied against the Office Holder.

Under the Israeli Companies Law, exculpation, indemnification and insurance of an Office Holder in a public company must be approved by the compensation committee and the board of directors and, with respect to the CEO, directors or controlling shareholders, their relatives and third parties in which such controlling shareholders have a personal interest, also by the shareholders.

The Company's Amended and Restated Articles of Association permit us to insure our Office Holders to the fullest extent permitted or to be permitted by law. Our Office Holders are currently covered by a directors' and officers' liability insurance policy. As of the date of this registration statement, no claims for directors' and officers' liability insurance have been filed under this policy and we are not aware of any pending or threatened litigation or proceeding involving any of our Office Holders in which indemnification is sought.

The Company expects to enter into agreements with each of our current Office Holders undertaking to indemnify them to the fullest extent permitted by law, subject to limited exceptions, including, with respect to liabilities resulting from this offering, to the extent that these liabilities are not covered by insurance. This indemnification is limited as follows: the maximum aggregate amount of indemnification that may be paid by the Company to all Office Holders entitled to indemnification, whether in advance or after the event, with respect to all indemnification undertakings by the Company to such Office Holders (including indemnification undertakings to directors and officers of companies held by the Company), if and to the extent that it grants them, based on the grounds specified above, shall not exceed the Maximum Indemnification Amount (defined below).

The term “Maximum Indemnification Amount” shall mean the greater of (i) 25% of shareholders’ equity (as reported in the Company’s last published consolidated financial statements, as of the date of each payment in respect of the indemnification undertakings), (ii) \$100 million, (iii) 10% of the total market capitalization of the Company (calculated as the average closing price of the Class A Ordinary Shares over the 30 trading days prior to the date of each payment in respect of the indemnification undertakings multiplied by the total number of issued and outstanding shares of the Company as of the date of each payment), and (iv) in connection with or arising out of a public offering of the Company’s securities, the aggregate amount of proceeds from the sale of, or value exchanged in relation to, such securities by the Company and/or any shareholder in such offering. Such indemnification amounts are in addition to any insurance amounts. However, in the opinion of the SEC, indemnification of directors and officers for liabilities arising under the Securities Act is against public policy and therefore unenforceable. The Company’s Amended and Restated Articles of Association include provisions under which Office Holders are or may be insured, exempted or indemnified against liability, which they may incur in their capacities as such, to the maximum extent permitted by law.

Item 9. Undertakings.

- (a) The undersigned Registrant hereby undertakes:
- (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;
- provided, however,* that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;
- (2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and
 - (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(a) The number of Ordinary Shares reserved for issuance under the Plan shall be 116,468,000 authorized but unissued shares (the “Share Reserve”) (subject to adjustment as provided Section 5); provided, however the Share Reserve will automatically increase on January 1st of each calendar year (each, an “Evergreen Date”), prior to the tenth (10th) anniversary of the Effective Date, in an amount equal to the lesser of (i) five (5) % of the total number of Ordinary Shares outstanding on December 31st of the calendar year immediately preceding the applicable Evergreen Date and (ii) a number of Ordinary Shares determined by the Board. No more than 116,468,000 Ordinary Shares reserved for issuance under the Plan pursuant to this Section 4(a) (subject to adjustment as provided in Section 5 hereof) may be granted under the Plan as ISOs.

(b) Shares issued under the Plan may, in whole or in part, be authorized but unissued Shares or Shares that shall have been or may be reacquired by the Company in the open market, in private transactions or otherwise. If any Shares subject to an Award are forfeited, cancelled, exchanged or surrendered or if an Award otherwise terminates or expires without a distribution of Shares to the Participant, the Shares with respect to such Award shall, to the extent of any such forfeiture, cancellation, exchange, surrender, termination or expiration, again be available for Awards under the Plan. Notwithstanding the foregoing, Shares that are exchanged by a Participant or withheld by the Company as full or partial payment in connection with the exercise of any Option or Share Appreciation Right under the Plan or the payment of any purchase price with respect to any other Award under the Plan, as well as any Shares exchanged by a Participant or withheld by the Company or any Subsidiary to satisfy the tax withholding obligations related to any Award under the Plan, shall not be available for subsequent Awards under the Plan, and notwithstanding that a Share Appreciation Right is settled by the delivery of a net number of Ordinary Shares, the full number of Ordinary Shares underlying such Share Appreciation Right shall not be available for subsequent Awards under the Plan. In addition, (i) to the extent an Award is denominated in Ordinary Shares, but paid or settled in cash, the number of Ordinary Shares with respect to which such payment or settlement is made shall again be available for grants of Awards pursuant to the Plan and (ii) Ordinary Shares underlying Awards that can only be settled in cash shall not be counted against the aggregate number of Ordinary Shares available for Awards under the Plan.

Section 5. Equitable Adjustments; Change in Control.

(a) In the event of any Change in Capitalization (including a Change in Control), an equitable substitution or proportionate adjustment shall be made, in each case, as may be determined by the Administrator, in its sole discretion, in (i) the aggregate number of Ordinary Shares reserved for issuance under the Plan, (ii) the kind and number of securities subject to, and the Exercise Price or Base Price of, any outstanding Options and Share Appreciation Rights granted under the Plan, (iii) the kind, number and purchase price of Ordinary Shares, or the amount of cash or amount or type of other property, subject to outstanding Restricted Share, Restricted Share Units, Share Bonuses and Other Share-Based Awards granted under the Plan or (iv) the Performance Goals and performance periods applicable to any Awards granted under the Plan; provided, however, that any fractional shares resulting from the adjustment shall be eliminated. Such other equitable substitutions or adjustments shall be made as may be determined by the Administrator, in its sole discretion.

(b) Without limiting the generality of the foregoing, in connection with a Change in Capitalization (including a Change in Control), the Administrator may provide, in its sole discretion, but subject in all events to the requirements of Section 409A of the Code as may be applicable, for the cancellation of any outstanding Award in exchange for payment in cash or other property having an aggregate Fair Market Value equal to the Fair Market Value of the Ordinary Shares, cash or other property covered by such Award, reduced by the aggregate Exercise Price or Base Price thereof, if any; provided, however, that if the Exercise Price or Base Price of any outstanding Award is equal to or greater than the Fair Market Value of the Ordinary Shares, cash or other property covered by such Award, the Administrator may cancel such Award without the payment of any consideration to the Participant.

(c) In connection with a Change in Control, the Administrator may provide or may set forth in an Award Agreement, in its sole discretion, that any outstanding Award shall become vested and exercisable in full or in part and any restrictions thereupon shall lapse, including in connection with a Participant's termination of service with the Company and its Subsidiaries following a Change in Control; provided that the Administrator may determine to treat outstanding Awards differently and shall not be obligated to treat all Awards in the same manner.

(d) The determinations made by the Administrator or the Board, as applicable, pursuant to this Section 5 shall be final, binding and conclusive.

Section 6. Eligibility.

The Participants under the Plan shall be selected from time to time by the Administrator, in its sole discretion, from those individuals that qualify as Eligible Recipients.

Section 7. Options.

(a) General. Each Participant who is granted an Option shall enter into an Award Agreement with the Company, containing such terms and conditions as the Administrator shall determine, in its sole discretion, which Award Agreement shall set forth, among other things, the Exercise Price of the Option, the term of the Option and provisions regarding exercisability of the Option, and whether the Option is intended to be an ISO or a Nonqualified Stock Option (and in the event the Award Agreement has no such designation, the Option shall be a Nonqualified Stock Option). The provisions of each Option need not be the same with respect to each Participant. More than one Option may be granted to the same Participant and be outstanding concurrently hereunder. Options granted under the Plan shall be subject to the terms and conditions set forth in this Section 7 and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable and set forth in the applicable Award Agreement.

(b) Exercise Price. The Exercise Price of Shares purchasable under an Option shall be determined by the Administrator in its sole discretion at the time of grant, but, except as provided in the applicable Award Agreement, in no event shall the exercise price of an Option which is intended to be an ISO or a Nonqualified Stock Option be less than one hundred percent (100%) of the Fair Market Value of the related Ordinary Shares on the date of grant.

(c) Option Term. The maximum term of each Option shall be fixed by the Administrator, but no Option shall be exercisable more than ten (10) years after the date such Option is granted. Each Option's term is subject to earlier expiration pursuant to the applicable provisions in the Plan and the Award Agreement.

(d) Exercisability. Each Option shall be exercisable at such time or times and subject to such terms and conditions, including the attainment of Performance Goals, as shall be determined by the Administrator in the applicable Award Agreement. The Administrator may also provide that any Option shall be exercisable only in installments, and the Administrator may waive such installment exercise provisions at any time, in whole or in part, based on such factors as the Administrator may determine in its sole discretion. Notwithstanding anything to the contrary contained herein, an Option may not be exercised for a fraction of a share.

(e) Method of Exercise. Options may be exercised in whole or in part by giving written notice of exercise to the Company specifying the number of whole Shares to be purchased, accompanied by payment in full of the aggregate Exercise Price of the Shares so purchased in cash or its equivalent, as determined by the Administrator. Subject to compliance with applicable law, and subject to the Administrator's ability in its sole discretion to limit the following, the Company may accept payment with respect to any Option or category of Options, in whole or in part (i) by means of consideration received under any cashless exercise procedure approved by the Administrator (including the withholding of Shares otherwise issuable upon exercise, referred to as "net exercise," with a Fair Market Value up to or equal to (but not exceeding) the applicable aggregate Exercise Price with the remainder paid in cash or other form of payment permitted by the Award Agreement), (ii) in the form of unrestricted Shares already owned by the Participant which have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which such Option shall be exercised, (iii) in any other form of consideration approved by the Administrator and permitted by applicable law or (iv) by any combination of the foregoing.

(f) ISOs. The terms and conditions of ISOs granted hereunder shall be subject to the provisions of Section 422 of the Code and the terms, conditions, limitations and administrative procedures established by the Administrator from time to time in accordance with the Plan. At the discretion of the Administrator, ISOs may be granted only to an employee of the Company, its "parent corporation" (as such term is defined in Section 424(e) of the Code) or a Subsidiary of the Company.

(i) ISO Grants to 10% Shareholders. Notwithstanding anything to the contrary in the Plan, if an ISO is granted to a Participant who owns shares representing more than ten percent (10%) of the voting power of all classes of shares of the Company, its "parent corporation" (as such term is defined in Section 424(e) of the Code) or a Subsidiary of the Company, the term of the ISO shall not exceed five (5) years from the time of grant of such ISO and the Exercise Price shall be at least one hundred and ten percent (110%) of the Fair Market Value of the Shares on the date of grant.

(ii) \$100,000 Per Year Limitation For ISOs. To the extent the aggregate Fair Market Value (determined on the date of grant) of the Shares for which ISOs are exercisable for the first time by any Participant during any calendar year (under all plans of the Company) exceeds \$100,000, such excess ISOs shall be treated as Nonqualified Stock Options.

(iii) Disqualifying Dispositions. Each Participant awarded an ISO under the Plan shall notify the Company in writing immediately after the date the Participant makes a "disqualifying disposition" of any Share acquired pursuant to the exercise of such ISO. A "disqualifying disposition" is any disposition (including any sale) of such Shares before the later of (i) two years after the date of grant of the ISO and (ii) one year after the date the Participant acquired the Shares by exercising the ISO. The Company may, if determined by the Administrator and in accordance with procedures established by it, retain possession of any Shares acquired pursuant to the exercise of an ISO as agent for the applicable Participant until the end of the period described in the preceding sentence, subject to complying with any instructions from such Participant as to the sale of such Shares.

(g) Rights as Shareholder. Except as provided in the applicable Award Agreement, a Participant shall have no rights to dividends, dividend equivalents or distributions or any other rights of a shareholder with respect to the Shares subject to an Option until the Participant has given written notice of the exercise thereof, has paid in full for such Shares and has satisfied the requirements of Section 14 hereof.

(h) Termination of Employment or Service. In the event of the termination of employment or service with the Company and all Affiliates thereof of a Participant who has been granted one or more Options, such vested Options shall be exercisable at such time or times and subject to such terms and conditions as set forth in the Award Agreement; provided, however, that the Administrator is entitled, at any time and its sole and absolute discretion, to extend the period during which a Participant shall be entitled to exercise their vested Options.

(i) Other Change in Employment or Service Status. An Option shall be affected, both with regard to vesting schedule and termination, by leaves of absence, including unpaid and un-protected leaves of absence, changes from full-time to part-time employment, partial Disability or other changes in the employment status or service status of a Participant. Such aforementioned determinations of employment status or service status, as applicable, shall be made, subject to compliance with applicable law, in the sole discretion of the Administrator. In the event of the death of a Participant who has been granted one or more Options, such Options shall be assigned the vesting schedule as set forth in the Award Agreement. In the absence of a specified provision in the Award Agreement pertaining to accelerated vesting upon a Participant's death, the vesting of such Options shall be accelerated for a period equivalent to twelve (12) months following any Participant's death. Any portion of the Options that would not have vested in the twelve (12) months following a Participant's death shall remain unvested and automatically revert to the Plan and shall not be exercisable.

(j) In the absence of a specified period in the Award Agreement and unless the Administrator determines otherwise at any time, such vested Options shall remain exercisable following a Participant's termination of employment or service for a period determined based on the Participant's tenure at the Company, as follows: (i) one (1) year for any Participant whose employment is terminated (x) by the Company other than for Cause, (y) due to the Participant's death or Disability or (z) by the Participant with Good Reason and whose termination occurs two (2) years or more after the commencement of that Participant's employment or service (but, in each case, in no event later than the Expiration Date of such Options) and (ii) ninety (90) days for any Participant whose termination occurs in any other circumstance. If, after termination of engagement with the Company, the Participant does not exercise the vested portion of their Options within the prescribed period, such Options shall terminate, and the Shares covered by such Options shall automatically revert to the Plan. If, on the date of termination, the Participant is not vested as to all of their Options, the Shares covered by the unvested portion of the Options shall automatically revert to the Plan and shall not be exercisable. For the avoidance of doubt, the Options granted hereunder shall not continue to vest following the termination of employment or service. Notwithstanding anything in the foregoing to the contrary, in the event the Participant's termination of employment or service is for Cause, all Options held by such Participant, whether or not vested, shall immediately be forfeited as of the date of termination.

Section 8. Share Appreciation Rights.

(a) General. Share Appreciation Rights may be granted either alone ("Free Standing Rights") or in conjunction with all or part of any Option granted under the Plan ("Related Rights"). Related Rights may be granted either at or after the time of the grant of such Option. The Administrator shall determine the Eligible Recipients to whom, and the time or times at which, grants of Share Appreciation Rights shall be made, the number of Shares to be awarded, the Base Price, and all other conditions of Share Appreciation Rights. Notwithstanding the foregoing, no Related Right may be granted for more Shares than are subject to the Option to which it relates. The provisions of Share Appreciation Rights need not be the same with respect to each Participant. Share Appreciation Rights granted under the Plan shall be subject to the following terms and conditions set forth in this Section 8 and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable, as set forth in the applicable Award Agreement.

(b) Base Price. Except as provided in the applicable Award Agreement, each Share Appreciation Right shall be granted with a base price that is not less than one hundred percent (100%) of the Fair Market Value of the related Ordinary Shares on the date of grant (such amount, the "Base Price").

(c) Rights as Shareholder. Except as provided in the applicable Award Agreement, a Participant shall have no rights to dividends, dividend equivalents or distributions or any other rights of a shareholder with respect to the Shares, if any, subject to a Share Appreciation Right until the Participant has given written notice of the exercise thereof and has satisfied the requirements of Section 14 hereof.

(d) Exercisability.

(1) Share Appreciation Rights that are Free Standing Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Administrator in the applicable Award Agreement.

(2) Share Appreciation Rights that are Related Rights shall be exercisable only at such time or times and to the extent that the Options to which they relate shall be exercisable in accordance with the provisions of Section 7 hereof and this Section 8.

(e) Consideration Upon Exercise.

(1) Upon the exercise of a Free Standing Right, the Participant shall be entitled to receive up to, but not more than, that number of Shares equal in value to (i) the excess of the Fair Market Value of an Ordinary Share as of the date of exercise over the Base Price per share specified in the Free Standing Right, multiplied by (ii) the number of Shares in respect of which the Free Standing Right is being exercised.

(2) A Related Right may be exercised by a Participant by surrendering the applicable portion of the related Option. Upon such exercise and surrender, the Participant shall be entitled to receive up to, but not more than, that number of Shares equal in value to (i) the excess of the Fair Market Value of an Ordinary Share as of the date of exercise over the Exercise Price specified in the related Option, multiplied by (ii) the number of Shares in respect of which the Related Right is being exercised. Options which have been so surrendered, in whole or in part, shall no longer be exercisable to the extent the Related Rights have been so exercised.

(3) Notwithstanding the foregoing, the Administrator may determine to settle the exercise of a Share Appreciation Right in cash (or in any combination of Shares and cash), to the extent set forth in the Award Agreement.

(f) Termination of Employment or Service.

(1) In the event of the termination of employment or service with the Company and all Affiliates thereof of a Participant who has been granted one or more Free Standing Rights, such rights shall be exercisable at such time or times and subject to such terms and conditions as set forth in the Award Agreement.

(2) In the event of the termination of employment or service with the Company and all Affiliates thereof of a Participant who has been granted one or more Related Rights, such rights shall be exercisable at such time or times and subject to such terms and conditions as set forth in the related Options.

(g) Term.

(1) The term of each Free Standing Right shall be fixed by the Administrator, but no Free Standing Right shall be exercisable more than ten (10) years after the date such right is granted.

(2) The term of each Related Right shall be the term of the Option to which it relates, but no Related Right shall be exercisable more than ten (10) years after the date such right is granted.

(h) Other Change in Employment or Service Status. Share Appreciation Rights shall be affected, both with regard to vesting schedule and termination, by leaves of absence, including unpaid and un-protected leaves of absence, changes from full-time to part-time employment, partial Disability or other changes in the employment status or service status of a Participant, in the discretion of the Administrator.

Section 9. Restricted Share and Restricted Share Units.

(a) General. Restricted Share and Restricted Share Units may be issued under the Plan. The Administrator shall determine the Eligible Recipients to whom, and the time or times at which, Restricted Share or Restricted Share Units shall be made; the number of Shares to be awarded; the price, if any, to be paid by the Participant for the acquisition of Restricted Share or Restricted Share Units; the period of time prior to which Restricted Share or Restricted Share Units become vested and free of restrictions on Transfer (the “Restricted Period”); the Performance Goals (if any); and all other conditions of the Restricted Share and Restricted Share Units. If the restrictions, Performance Goals and/or conditions established by the Administrator are not attained, a Participant shall forfeit his or her Restricted Share or Restricted Share Units, in accordance with the terms of the grant. The provisions of Restricted Share or Restricted Share Units need not be the same with respect to each Participant.

(b) Awards and Certificates.

(1) Except as otherwise provided in Section 9(b)(3) hereof, (i) each Participant who is granted an Award of Restricted Share may, in the Company’s sole discretion, be issued a Share certificate in respect of such Restricted Share; and (ii) any such certificate so issued shall be registered in the name of the Participant, and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to any such Award. The Company may require that the Share certificates, if any, evidencing Restricted Share granted hereunder be held in the custody of the Company until the restrictions thereon shall have lapsed, and that, as a condition of any award of Restricted Share, the Participant shall have delivered a Share transfer form, endorsed in blank, relating to the Shares covered by such award. Certificates for shares of unrestricted Ordinary Shares may, in the Company’s sole discretion, be delivered to the Participant only after the Restricted Period has expired without forfeiture in respect of such Restricted Share.

(2) With respect to an Award of Restricted Share Units to be settled in Shares, at the expiration of the Restricted Period, share certificates in respect of the Ordinary Shares underlying such Restricted Share Units may, in the Company’s sole discretion, be delivered to the Participant, or his or her legal representative, in a number equal to the number of Ordinary Shares underlying the Award of Restricted Share Units.

(3) Notwithstanding anything in the Plan to the contrary, any Restricted Share or Restricted Share Units to be settled in Shares (at the expiration of the Restricted Period) may, in the Company’s sole discretion, be issued in uncertificated form.

(4) Further, notwithstanding anything in the Plan to the contrary, with respect to Restricted Share Units, at the expiration of the Restricted Period, Shares (either in certificated or uncertificated form) or cash, as applicable, shall promptly be issued to the Participant, unless otherwise deferred in accordance with procedures established by the Company in accordance with Section 409A of the Code, and such issuance or payment shall in any event be made no later than March 15th of the calendar year following the year of vesting or within such other period as is required to avoid accelerated taxation and/or tax penalties under Section 409A of the Code.

(c) Restrictions and Conditions. The Restricted Share and Restricted Share Units granted pursuant to this Section 9 shall be subject to the following restrictions and conditions and any additional restrictions or conditions as determined by the Administrator at the time of grant or, subject to Section 409A of the Code where applicable, thereafter:

(1) The Award Agreement may provide for the lapse of restrictions in installments and may accelerate or waive such restrictions in whole or in part based on such factors and such circumstances as set forth in the Award Agreement, including, but not limited to, the attainment of certain performance related goals, the Participant's termination of employment or service with the Company or any Affiliate thereof, or the Participant's death or Disability.

(2) Except as provided in the applicable Award Agreement, the Participant shall generally have the rights of a shareholder of the Company with respect to shares of Restricted Share during the Restricted Period, including the right to vote such shares and to receive any dividends declared with respect to such shares; provided, however, that except as provided in the applicable Award Agreement, any dividends declared during the Restricted Period with respect to such shares shall only become payable if (and to the extent) the underlying Restricted Shares vest. Except as provided in the applicable Award Agreement, the Participant shall generally not have the rights of a shareholder with respect to Ordinary Shares subject to Restricted Share Units during the Restricted Period; provided, however, that, subject to Section 409A of the Code, an amount equal to any dividends declared during the Restricted Period with respect to the number of Ordinary Shares covered by Restricted Share Units may, to the extent set forth in an Award Agreement, be provided to the Participant at the time (and to the extent) that Ordinary Shares in respect of the related Restricted Share Units are delivered to the Participant.

(d) Termination of Employment or Service. The rights of Participants granted Restricted Share or Restricted Share Units upon termination of employment or service with the Company and all Affiliates thereof for any reason during the Restricted Period shall be set forth in the Award Agreement.

(e) Other Change in Employment or Service Status. The vesting of a Restricted Share or Restricted Share Unit may be suspended and/or an award may be terminated due to leaves of absence, including unpaid and un-protected leaves of absence, changes from full-time to part-time employment, partial Disability or other changes in the employment status or service status of a Participant, in the discretion of the Administrator. In the event of the death of a Participant who has been granted one or more Restricted Shares or Restricted Share Units, such Restricted Shares or Restricted Share Units shall be governed by the terms of the Award Agreement. In the absence of a specified provision in the Award Agreement pertaining to accelerated vesting upon a Participant's death, the vesting of a portion of such Restricted Shares or Restricted Share Units that would have vested during the twelve (12) months following such Participant's death shall accelerate as of such Participant's death. Any portion of the Restricted Shares or Restricted Share Units that would not have vested in the twelve (12) months following a Participant's death shall remain unvested and automatically forfeit without consideration upon the Participant's death.

(f) Form of Settlement. The Administrator reserves the right in its sole discretion to provide (either at or after the grant thereof) that any Restricted Share Unit represents the right to receive the amount of cash per unit that is determined by the Administrator in connection with the Award, to the extent set forth in the Award Agreement.

Section 10. Other Share-Based Awards.

Other forms of Awards valued in whole or in part by reference to, or otherwise based on, Ordinary Shares, including but not limited to dividend equivalents, may be granted either alone or in addition to other Awards (other than in connection with Options or Share Appreciation Rights) under the Plan. Any dividend or dividend equivalent awarded hereunder shall be subject to the same restrictions, conditions and risks of forfeiture as the underlying Awards and shall only become payable if (and to the extent) the underlying Awards vest. Subject to the provisions of the Plan, the Administrator shall have sole and complete authority to determine the individuals to whom and the time or times at which such Other Share-Based Awards shall be granted, the number of Ordinary Shares to be granted pursuant to such Other Share-Based Awards, or the manner in which such Other Share-Based Awards shall be settled (e.g., in Ordinary Shares, cash or other property), or the conditions to the vesting and/or payment or settlement of such Other Share-Based Awards (which may include, but not be limited to, achievement of performance criteria) and all other terms and conditions of such Other Share-Based Awards.

Section 11. Share Bonuses.

In the event that the Administrator grants a Share Bonus, the Shares constituting such Share Bonus shall, as determined by the Administrator, be evidenced in uncertificated form or by a book entry record or a certificate issued in the name of the Participant to whom such grant was made and delivered to such Participant as soon as practicable after the date on which such Share Bonus is payable.

Section 12. Amendment and Termination.

The Board may amend, alter or terminate the Plan, but no amendment, alteration, or termination shall be made that would adversely affect the rights of a Participant under any Award theretofore granted without such Participant's consent. Unless the Board determines otherwise, the Board shall obtain approval of the Company's shareholders for any amendment to the Plan that would require such approval in order to satisfy any rules of the stock exchange on which the Ordinary Share is traded or other applicable law. The Administrator may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Section 5 hereof and the immediately preceding sentence, no such amendment shall adversely affect the rights of any Participant without his or her consent.

Section 13. Unfunded Status of Plan.

The Plan is intended to constitute an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company.

Section 14. Withholding Taxes.

Each Participant shall, no later than the date as of which the value of an Award first becomes includible in the gross income of such Participant for purposes of applicable taxes, pay to the Company, or make arrangements satisfactory to the Company regarding payment of, an amount in respect of such taxes up to the maximum statutory rates in the Participant's applicable jurisdiction with respect to the Award, as determined by the Company. The obligations of the Company under the Plan shall be conditional on the making of such payments or arrangements, and the Company shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to such Participant. Whenever cash is to be paid pursuant to an Award, the Company shall have the right to deduct therefrom an amount sufficient to satisfy any applicable withholding tax requirements related thereto as determined by the Company. Whenever Shares or property other than cash are to be delivered pursuant to an Award, the Company shall have the right to require the Participant to remit to the Company in cash an amount sufficient to satisfy any related taxes to be withheld and applied to the tax obligations as determined by the Company; provided that, with the approval of the Administrator, a Participant may satisfy the foregoing requirement by either (i) electing to have the Company withhold from such delivery Shares or other property, as applicable, or (ii) by delivering already owned unrestricted Ordinary Shares, in each case, having a value not exceeding the applicable taxes to be withheld and applied to the tax obligations as determined by the Company. Such already owned and unrestricted Ordinary Shares shall be valued at their Fair Market Value on the date on which the amount of tax to be withheld is determined and any fractional share amounts resulting therefrom shall be settled in cash. Such an election may be made with respect to all or any portion of the Shares to be delivered pursuant to an award. The Company may also use any other method of obtaining the necessary payment or proceeds, as permitted by law, to satisfy its withholding obligation with respect to any Award as determined by the Company.

Section 15. Transfer of Awards.

Until such time as the Awards are fully vested and/or exercisable in accordance with the Plan or an Award Agreement, no purported sale, assignment, mortgage, hypothecation, transfer, charge, pledge, encumbrance, gift, transfer in trust (voting or other) or other disposition of, or creation of a security interest in or lien on, any Award or any agreement or commitment to do any of the foregoing (each, a “Transfer”) by any holder thereof in violation of the provisions of the Plan or an Award Agreement will be valid, except with the prior written consent of the Administrator, which consent may be granted or withheld in the sole discretion of the Administrator or except for estate planning purposes, subject to the Participant’s and/or the transferee’s execution of any additional documentation reasonably required by the Company. Any purported Transfer of an Award or any economic benefit or interest therein in violation of the Plan or an Award Agreement shall be null and void ab initio, and shall not create any obligation or liability of the Company, and any Person purportedly acquiring any Award or any economic benefit or interest therein transferred in violation of the Plan or an Award Agreement shall not be entitled to be recognized as a holder of any Ordinary Share or other property underlying such Award. Unless otherwise determined by the Administrator in accordance with the provisions of the immediately preceding sentence, an Option or Share Appreciation Right may be exercised, during the lifetime of the Participant, only by the Participant or, during any period during which the Participant is under a legal disability, by the Participant’s guardian or legal representative.

Section 16. Continued Employment or Service.

Neither the adoption of the Plan nor the grant of an Award hereunder shall confer upon any Eligible Recipient any right to continued employment or service with the Company or any Affiliate thereof, as the case may be, nor shall it interfere in any way with the right of the Company or any Affiliate thereof to terminate the employment or service of any of its Eligible Recipients at any time.

Section 17. Effective Date.

The Plan was adopted by the Board on May 17, 2022, was approved by its shareholders as of June 16, 2022 and became effective on June 22, 2022 (“Effective Date”).

Section 18. Term of Plan.

No Award shall be granted pursuant to the Plan on or after the tenth (10th) anniversary of the Effective Date, but Awards theretofore granted may extend beyond that date.

Section 19. Securities Matters and Regulations.

(a) Notwithstanding anything herein to the contrary, the obligation of the Company to sell or deliver Ordinary Shares with respect to any Award granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Administrator. The Administrator may require, as a condition of the issuance and delivery of certificates evidencing Ordinary Shares pursuant to the terms hereof, that the recipient of such shares make such agreements and representations, and that such certificates bear such legends, as the Administrator, in its sole discretion, deems necessary or advisable.

(b) Each Award is subject to the requirement that, if at any time the Administrator determines that the listing, registration or qualification of Ordinary Shares issuable pursuant to the Plan is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the grant of an Award or the issuance of Ordinary Shares, no such Award shall be granted or payment made or Ordinary Share issued, in whole or in part, unless such listing, registration, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Administrator.

(c) In the event that the disposition of Ordinary Share acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act and is not otherwise exempt from such registration, such Ordinary Share shall be restricted against transfer to the extent required by the Securities Act or regulations thereunder, and the Administrator may require a Participant receiving Ordinary Share pursuant to the Plan, as a condition precedent to receipt of such Ordinary Share, to represent to the Company in writing that the Ordinary Share acquired by such Participant is acquired for investment only and not with a view to distribution.

Section 20. Notification of Election Under Section 83(b) of the Code.

If any Participant shall, in connection with the acquisition Ordinary Share under the Plan, make the election permitted under Section 83(b) of the Code, such Participant shall notify the Company of such election within ten (10) days after filing notice of the election with the Internal Revenue Service.

Section 21. No Fractional Shares.

No fractional Ordinary Shares shall be issued or delivered pursuant to the Plan. The Administrator shall determine whether cash, other Awards, or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

Section 22. Beneficiary.

A Participant may file with the Administrator a written designation of a beneficiary on such form as may be prescribed by the Administrator and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Participant, the executor or administrator of the Participant's estate shall be deemed to be the Participant's beneficiary.

Section 23. Paperless Administration.

In the event that the Company establishes, for itself or using the services of a third party, an automated system for the documentation, granting or exercise of Awards, such as a system using an internet website or interactive voice response, then the paperless documentation, granting or exercise of Awards by a Participant may be permitted through the use of such an automated system.

Section 24. Severability.

If any provision of the Plan is held to be invalid or unenforceable, the other provisions of the Plan shall not be affected but shall be applied as if the invalid or unenforceable provision had not been included in the Plan.

Section 25. Clawback.

(a) Each Award granted under the Plan shall be subject to any applicable recoupment terms and conditions as set forth in the Award Agreement and/or applicable recoupment policy maintained by the Company or any of its Affiliates as in effect from time to time. In the event of the termination of a Participant's employment or service for Cause, as defined herein, the Administrator has the authority, in its sole and absolute direction, to clawback or seek forfeiture of any Award granted under this Plan (or, in the alternative, effect a commensurate deduction), including Awards that have vested, irrespective of whether such Awards have been settled or exercised.

(b) Notwithstanding any other provisions in this Plan, any Award which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or stock exchange listing requirement).

Section 26. Section 409A of the Code.

The Plan as well as payments and benefits under the Plan are intended to be exempt from, or to the extent subject thereto, to comply with Section 409A of the Code, and, accordingly, to the maximum extent permitted, the Plan shall be interpreted in accordance therewith. Notwithstanding anything contained herein to the contrary, to the extent required in order to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, the Participant shall not be considered to have terminated employment or service with the Company for purposes of the Plan and no payment shall be due to the Participant under the Plan or any Award until the Participant would be considered to have incurred a "separation from service" from the Company and its Affiliates within the meaning of Section 409A of the Code. Any payments described in the Plan that are due within the "short term deferral period" as defined in Section 409A of the Code shall not be treated as deferred compensation unless applicable law requires otherwise. Notwithstanding anything to the contrary in the Plan, to the extent that any Awards (or any other amounts payable under any plan, program or arrangement of the Company or any of its Affiliates) are payable upon a separation from service and such payment would result in the imposition of any individual tax and penalty interest charges imposed under Section 409A of the Code, the settlement and payment of such awards (or other amounts) shall instead be made on the first business day after the date that is six (6) months following such separation from service (or upon the Participant's death, if earlier). Each amount to be paid or benefit to be provided under this Plan shall be construed as a separate identified payment for purposes of Section 409A of the Code. The Company makes no representation that any or all of the payments or benefits described in this Plan will be exempt from or comply with Section 409A of the Code and makes no undertaking to preclude Section 409A of the Code from applying to any such payment. The Participant shall be solely responsible for the payment of any taxes and penalties incurred under Section 409A of the Code.

Section 27. Governing Law.

The Plan shall be governed by and construed in accordance with the laws of Delaware, without giving effect to the principles of conflicts of law of such state.

Section 28. Titles and Headings.

The titles and headings of the sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

Section 29. Successors.

The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company.

Section 30. Relationship to other Benefits.

No payment pursuant to the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare, or other benefit plan of the Company or any Affiliate except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.
